Richard R. OUELLETTE

*A great tool  
for personal growth!*

*A valuable resource  
for teaching and preaching!*

## About the Author

After a very “religious” journey and a search for happiness in teaching, marriage, travel and humanitarian involvement in Burundi (1970-1972), Richard OUELLETTE gave his life to Jesus Christ in Europe in January 1974, while working in Switzerland. Since then, he has used his gifts as a teacher and a counsellor to help Christians to live *according to God’s heart*, in Quebec, Europe, Africa and Haiti. Richard and his wife Agathe reside in Quebec. They have 3 children and 6 grandchildren.

## About this book

“I really enjoyed this reading guide and it’s wise comments. The ‘monastic’ work of my brother Richard will allow you to deepen your relationship with God and will certainly help you in your relationships with others and with yourself. I hope that this guide is an aid to your understanding of the Word of God but above all else, an encouragement to develop an intimate relationship with the Father in order to have a heart-to-heart with him.

My greatest desire is that by using this guide, you receive every day, through each verse, a refreshing ‘dewdrop’ from the Holy Spirit and that your life may be renewed.

May God, who gives us everything through Jesus Christ, give you beyond what you can think or imagine! Your heavenly Father has sent you a love letter: if it is not already done, open it quickly!”

“My admiration and gratitude for this important and long-term work.

It’s completion clearly portrays your love of the Lord and His Word.

The breath of inspiration has been present.

I truly appreciate your desire to enrich each reader according to 2 Peter, Chapter 1, verse 6.

Also available to all, your presentation of *Through the Bible in One Year* requires within the reader a firm will to learn.

This type of ‘disciple’ is not common in the Church today.

Your book is a call to consent to this work.”
